

**u.s./us rights left?**

by billy lamont

there is no left  
democrats

are in the same club

there is no right  
and republicans

there is no left

just the top  
and the bottom  
the rich  
and the peasants  
the haves  
and the have-nots

there is no right

the few percent of this world's people that are rich  
own and control almost everything!

the church is in bed  
with conservatives  
the right tells the church  
to not care about the  
environment  
this could hurt corporate  
false prophets  
oops i mean profits

on the left  
being perceived as  
caring about the environment  
is a good way to get elected

pastor's as ceo's  
christian right?  
christian white

democrats are no longer left  
no one left left

you are free  
purchase your own slice of gloom

liberty  
you are free to consume

bombs are dropping!

why should we stop  
shopping?

when a few companies  
own everything

is so far out of reach

freedom of speech

at what point should we resist?

too busy trying to survive

to be alive

greed is restructuring

taking our jobs  
grabbing our pay

now you have the nerve

to steal  
our retirement 401k

medical care by

insurance companies  
not by doctors

we keep hearing about the war on terror  
but what about the war on labor?

campaign for us

campaign for u.s.

in the interest of us

us?

oil for u.s.

american interests

are not our interests!

nationalism disguised

as patriotism

welfare for the rich

tax breaks for the rich

through brute force

and torture

colonization then and now

there is no left

there is no right

only issues in stereo  
invent  
think for yourself  
fulfill your potential  
there are higher possibilities

judicial tyranny

still need healthy boundaries

checks and balances  
what are the house  
and senate afraid of?

judicial tyranny

don't they need  
search warrants  
to search your house?

monitoring innocent

people

guilty till proven innocent?  
we the people  
are not terrorists  
we have rights  
not just the right to remain silent  
not just the right to pay taxes  
at what point should we resist?

still need healthy boundaries  
towards the left  
pro choice  
have a voice  
pro choice  
please choose life not death left!

judicial tyranny  
corporate criminals

have left?

our rights

have left!

our rights

our rights

pay your taxes

money will trickle down

the only thing that trickles down  
is piss droplets  
from the criminal elite's penis, right?  
shake it off  
shake it off  
the people's trust

executive criminal  
criminal elite  
retreat  
here comes the street!

class of thieves  
The Holy Spirit grieves  
capitalism's got a black eye  
more than the usual greedy stye

soundbite thought pattern  
we will uncover the truth beneath  
awaken the wisdom in the chaos  
the underlying love, silence, peace in the noise

renegades of hope  
outlaws of love  
join the resistance  
before it's too late!

what's happening?  
better call the green party  
someone telephone ralph nader  
can't blame michael moore  
better ask noam chomsky!
