Phoenix Fake News Press -- In a stunning raid sure to shock the young and the "young at heart" alike, agents of the FBI have arrested Mickey and Minney Mouse, Donald Duck and a host of popular cartoon characters. They also seized an unknown quantity of "Disney Dollars", a popular currency at many vacation spots world wide. According to anonymous sources in the FBI, "we're not stopping here. Anyone who has used or continues to hold Disney Dollars can expect the same treatment".

According to papers obtained by Phoenix Fake News Press, a 5,000 page indictment filed by FBI agents states "these terrorists are screwing with us and it's time we showed them who's boss". The indictment specifically names "Mickey, A.K.A. Osama Bin Mouse, Minney A.K.A. Terrorist Mouse, Donald A.K.A. Destructive Duck and anybody else we catch in a fuzzy costume".

In a simultaneous raid, the Seven Dwarves were also arrested. FBI papers allege they had been mining the precious metals used to mint the coins.

Spokespeople for Disney Corporation could not immediately be reached for comment unless a loud and continuous thumping, audible on their answering machine, represents a statement from another popular Disney character.

[Disney Dollars are a private currency issued](#) for use at the popular entertainment company's resort of retail locations world wide.
