Liberty Services will offer a special ANA Liberty Dollar at the 116th Anniversary Convention. Liberty Dollars are a private, voluntary barter currency; the silver medals bear a \$20 "face value."

The Liberty Dollar is the brainchild of Bernard von NotHaus, the creator and for years, proprietor of the Royal Hawaiian Mint. Von NotHaus launched the Liberty Dollar in 1998 under the umbrella of the National Organization for the Repeal of the Federal Reserve Act (NORFED), a nonprofit entity that von NotHaus dissolved in early December. Liberty Services now issues the silver bullion pieces.

The obverse design of the special ANA piece features the Liberty Head design standard on the Liberty Dollar, dated 2007.
