(PHOTO CAPTION) The Nov. 14 seizures conducted by federal agents in North Carolina, Idaho and Indiana included Liberty Dollars bearing the portrait of Texas congressman and presidential candidate Ron Paul. The seizures also included the regular Liberty Dollar medals. Both medals were struck in .999 fine silver.

FBI and Secret Service agents Nov. 14 raided the Evansville, Ind., offices of Liberty Services, doing business as the Liberty Dollar.

The agents seized precious metals "private voluntary barter currency" medals, and computer and business records, under federal search and seizure warrants stemming from alleged money laundering, mail fraud and wire fraud.
