

RAID ON LIBERTY DOLLAR PICTURES

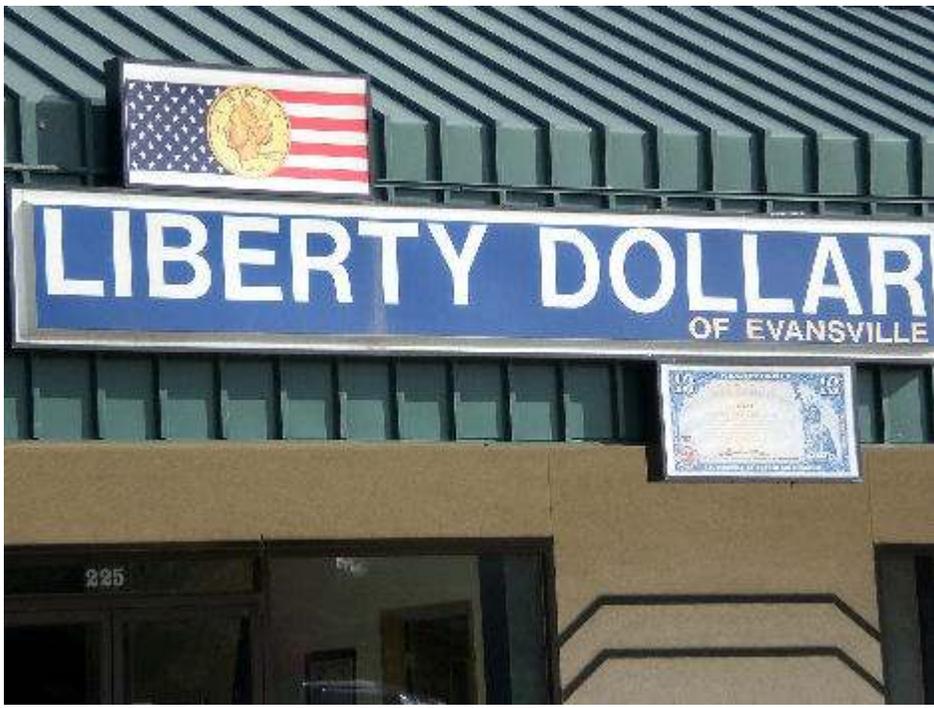

Evansville Blog

By Christopher Davidson

November 16, 2007

Well, doesn't look like anything happened to me, these pictures were taken at around 2:30 PM the day off the 'supposed' raid. I'm still on the fence about how many of these supposed allegations actually happened.

Nothing suspicious here, hell there weren't even any local news teams there reporting one way or the other.
