AMAZING GUARANTEE...
I Promise My Plumber Will Show Up On Time
Or I'll Pay You \$5 For Every Minute He's Late!

Let's face it. Most plumbers run their companies for their convenience - not yours. They say they'll be there between 10 and 4, but they're still late! But take heart. Now there's a plumber in town who put his money where his mouth is! At Benjamin Franklin, The Punctual Plumber[®], we schedule service calls for YOUR convenience. So if you are suffering with slow or stopped drains, leaking pipes, dripping faucets, no water, a broken disposal, flooding, plugged sewer pipes, toilet trouble or a broken water heater call us for an immediate, guaranteed ON TIME appointment.

Here are 6 more reasons why Benjamin Franklin will make you smile today:

1. All of our repairs are guaranteed for Two Years. If it fails, we will redo the repair for FREE.
2. My plumber will give you a complete audit of your system to save you money, protect your home, and give you peace of mind.
3. Our "Customer Bill of Rights" puts you in control. This means you get the service you want, the way you want it.
4. You never have to wonder or fear who's at your front door because only the few, the best and the talented can wear the Benjamin Franklin uniform.
5. Advanced training for our plumbers means when they fix your problem, it stays fixed.
6. We bring a huge inventory right to your driveway. We never charge you to find a part because 97% of the time it's right on our amazing truck.

Your Satisfaction Is Our Goal!

If you are like me, you can't afford to hire a "fly-by-night" contractor who offers you a cheap price just to get his foot in the door. Then once he has started the work, tells you all about the hidden charges. Also, he doesn't show up regularly, does a poor job and does not finish the job, yet still demands to be paid. When you call him, he won't answer the phone and disappears when it all falls apart.

Wouldn't you rather do business with a company that gives you a 100% guaranteed price upfront, does quality work in a timely manner and has someone who is dedicated to answering your phone calls?

Then you want to do business with the professionals at Joshua Deatherage Builder's, LLC. Dependable contractors with your satisfaction as the ultimate goal.
